### 1. General information

#### Information on directors

Sandra Woosup

Role

Director Indigenous Sector Zone 1

Experience

Sandra lives in Injinoo and is a director on Angkamuthi Tribal Aboriginal Corporation and the chair of Apudthama Land Trust. She is a coordinator of the Injinoo Indigenous Knowledge Centre. Sandra is a director in the Northern Peninsula Area Justice Group representing the NPA, and is also a shareholder representative for her clan, the Angkamuthi Clan group, on the Ely Bauxite Mine Beneficiaries Trust. Sandra is also a director on the Ely Trust Board of Directors.

Sandra is a mother of five and an active member of her Clan, who believes in working together in unity with all the clan groups of the NPA to build a strong Apudthama Land Trust to manage and protect cultural values and other heritage of the Aboriginal people of the four clan groups. The Angkamuthi, Atambya, Gudang and Yadhaykama are all separate clan groups in their own right, who don't speak for other clans.

Sandra has a passion to see language and culture of the NPA maintained and practiced, as people were deprived from using their language in the past.

#### Information on directors

Desmond Tayley

Role

Director of Local Government

Experience

Desmond has been reappointed as Mayor of Wujal Wujal, and was a Director of Cape York's inaugural Board (Indigenous Sector Zone 4). During his term he made significant contribution to its establishment and Board and Operational linkages to the Region's Traditional Owners.

Barry Lyon

Role

Director of Conservation Sector

Experience

Barry is the Ranger in Charge of the Steve Irwin Wildlife Reserve in northern Cape York. Formerly a district ranger for southern Cape York with the Queensland Department of Environment, he has worked as Ranger-in-Charge on numerous Cape York National Parks dating back to 1979. Five years were spent operating Lyon's Bush Guides Service, an eco-tourism business showcasing Cape York's Wildlife and Landscapes to tourists via bush safaris, and guiding film and documentary crews. Barry has written numerous articles for various publications on natural history and outdoor recreational subjects and is a regular contributor to the Western Cape Bulletin. Barry has been pivotal in the establishment of the Wenlock Catchment Management Group and in Conservation meetings across Cape York.

Retired 4 May 2017

Emma Jackson

Role

Director of Primary Industries

Experience

Emma arrived to Cape York over ten years ago and has since married a Cape York cattleman and brought four children into the world. Originally a psychologist, Emma has since become a teacher and does regular work in Weipa or around Cape York just to stay informed with the educational world, as she teaches her children at home, as well completing business responsibilities. The Jacksons have been at Wolverton Station for over forty-six years with Emma's father-in-law sitting on council before retiring. Emma enjoys participating in committees for the long term benefit of the Cape and has been involved in Cape York Sustainable Futures, Coen Chamber of Commerce and is currently secretary for Cape York Live Export Group. Emma contributed to the establishment of the Cape York NRM organisation through participating in the steering committee with other current board members.

Emma is a qualified personal trainer and health and fitness instructor and has recently completed her first marathon to raise awareness of, and support for Cystic Fibrosis. Currently, Emma is pursuing further studies through the University of Queensland in Agricultural Science, through a scholarship. Emma sees herself committed to the Cape for the next thirty years and intends on working hard to ensure she sees a sustainable future for her children. It is her home, her world, her life and she loves it.

## Notes to the Financial Statements For the Year Ended 30 June 2017

The financial report covers Cape York Natural Resource Management Ltd as an individual entity. Cape York Natural Resource Management Ltd is a not-for-profit Company limited by guarantee, incorporated and domiciled in Australia.

The functional and presentation currency of Cape York Natural Resource Management Ltd is Australian dollars.

The financial report was authorised for issue by the Directors on the date of signing the directors report.

Comparatives are consistent with prior years, unless otherwise stated.

Amounts in the financial statements have been rounded off to the nearest dollar.

### 1 Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with the Australian Accounting Standards - Reduced Disclosure Requirements and the Australia Charities and Not-for-profit Commission Act 2012. The company is a not-for-profit entity for financial purpose under Australia Accounting Standards.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

### 2 Summary of Significant Accounting Policies

#### (a) Income Tax

No provision for income tax has been raised as the company operates solely as a not-for-profit company and accordingly is exempt from income tax under Division 50 of the *Income Tax Assessment Act 1997*.

#### (b) Revenue and other income

Non-reciprocal grant revenue is recognised in the statement of comprehensive income when the entity obtains controls of the grant and it is probable that economic benefits gained from the grant will flow to the Company and the amount of the grant can be measured reliably.

Interest revenue is recognised using the effective interest rate method.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

#### (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payable are stated inclusive of GST. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

## Notes to the Financial Statements For the Year Ended 30 June 2017

### 2 Summary of Significant Accounting Policies

#### (c) Goods and services tax (GST)

Cash flows in the statement of cash flows are included on a gross basis and the GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the taxation authority is classified as operating cash flows.

#### (d) Property, plant and equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation and impairment.

##### Plant and equipment

Plant and equipment are measured using the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment losses. In the event the carrying amount of plant and equipment is greater than its estimated recoverable amount, the carrying amount is written down immediately to its estimated recoverable amount and impairment losses recognised either in profit or loss. A formal assessment of recoverable amounts are made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when its a probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance are recognised as expenses in the statement of profit or loss in the financial period in which they are incurred.

##### Depreciation

Property, plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Company, commencing when the asset is ready for use.

The depreciation rates used for each class of depreciable asset are shown below:

<b>Fixed asset class</b>	<b>Depreciation rate</b>
Buildings	2%
Motor Vehicles	20 - 50%
Office Furniture & Equipment	10%

At the end of each annual reporting period, the depreciation method, useful life and residual value of each asset is reviewed. Any revisions are accounted for prospectively as a change in estimate.

#### (e) Impairment of non-financial assets

At the end of each reporting period the Company determines whether there is an evidence of an impairment indicator for property, plant and equipment and investments. Where an indicator exists, the recoverable amount of any affected asset or group of assets, is estimated and compared with its carrying amount. The recoverable amount is higher of the asset's fair value less costs to sell and the present value of the asset's future cash flows discounted at the expected rate of return. Where the recoverable amount is less than the carrying amount, an impairment loss is recognised in profit or loss.

Where the future economic benefits of the asset are not primarily dependent upon the asset's ability to generate net cash flows and when the entity would, if deprived of the asset, replace its remaining future economic benefit, value in use is determined as the depreciated replacement cost of the asset. Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of

## Notes to the Financial Statements

### For the Year Ended 30 June 2017

#### 2 Summary of Significant Accounting Policies

(e) **Impairment of non-financial assets**

the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class or asset.

(f) **Cash and cash equivalents**

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

(g) **Employee benefits**

Provision is made for the Company's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits that are expected to be wholly settled within one year have been measured at the amounts expected to be paid when the liability is settled.

Employee benefits expected to be settled more than one year after the end of the reporting period have been measured at the present value of the estimated future cash outflows to be made for those benefits. In determining the liability, consideration is given to employee wage increases and the probability that the employee may satisfy vesting requirements. Cashflows are discounted using market yields on high quality corporate bond rates incorporating bonds rated AAA or AA by credit agencies, with terms to maturity that match the expected timing of cashflows. Changes in the measurement of the liability are recognised in profit or loss.

(h) **Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the company that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

#### 3 Critical Accounting Estimates and Judgments

The directors make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances. These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

##### Key estimates

Depreciation on property, plant and equipment - Note 2(d) and Note 10

Impairment of property, plant and equipment - Note 2(d) and Note 10

Provision for long service leave - Note 2(g) and Note 13

### **Independent Auditor's Report to the Directors of Cape York Natural Resource Management Limited**

#### **Opinion**

We have audited the financial report of Cape York Natural Resource Management Limited (the Company), which comprises the statement of financial position as at 30 June 2017, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Company has been prepared in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission Act 2012*, including:

- (a) giving a true and fair view of the Company's financial position as at 30 June 2017 and of its financial performance and cash flows for the year then ended; and
- (b) complying with Australian Accounting Standards – Reduced Disclosure Requirements and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Australian Charities and Not-for-profits Commission Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of the Directors for the Financial Report**

The directors of the Company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards – Reduced Disclosure Requirements and the *Australian Charities and Not-for-profits Commission Act 2012* (ACNC Act) and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

**Independent Auditor's Report to the Directors of Cape York Natural Resource Management Limited (Cont.)**

**Auditor's Responsibilities for the Audit of the Financial Report**

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: [http://www.auasb.gov.au/auditors\\_files/ar3.pdf](http://www.auasb.gov.au/auditors_files/ar3.pdf). This description forms part of our auditor's report.
