Cape York NRM Regional Investment Strategy workshops

Cape York NRM is conducting regional workshops to gather feedback on the achievements of the Cape York NRM Regional Investment Strategy 2013-2018. The Strategy was developed in collaboration with Cape York land and sea managers. The workshops will help inform the 2018-2022 investment for the region's NRM plan.

The workshops will cover: reviewing Cape York's current NRM plan; achievements to date; the new National Landcare Program and State natural resource management priorities; and your regional natural resource management priorities.

We invite members, project partners and land and sea managers to the workshops to assist us in this process:

16 November Bamaga – Cape York Peninsula Lodge

21 November Weipa – Storm surge shelter meeting room

23 November Coen – Meeting room next to clinic

All workshops will run from 9:00am–4:00pm. RSVP before 13 November 2017

Refreshments and lunch will be provided.
